Request To Delete Inventor

Dear Sir:

In the Notification of Defective Response dated March 10, 2006, it was stated that the oath or declaration previously filed in connection with this application was not in compliance with 37 CFR 1.66 or 1.68 because inventor Michael D. Cahalan was listed on the International Application but not on the previously filed oath or declaration.

Subsequent to filing of the International Application, it was determined that Michael D. Cahalan was not an inventor of the currently claimed subject matter. Accordingly, upon entry of national stage prosecution in the United States, a Declaration of Inventorship was filed with signatures of all of the named inventors except Michael D. Cahalan.

The erroneous inclusion of Dr. Cahalan's name as an inventor on the International

Application occurred without any deceptive intent on Dr. Cahalan's part.

Since no oath or declaration had previously been filed in this application, no petition was seen to be required for deletion of Dr. Cahalan's name. However, if the Office properly deems a petition to be required to effect the deletion of Dr. Cahalan's name, then it is hereby requested that this document be considered as such petition and the Commissioner is hereby authorized to deduct the petition fee and any other fees due from Deposit Account No. 50-0878.

Respectfully submitted,
STOUT, UXA, BUYAN & MULLINS, LLP
